Monsignor Moran is our beloved rector who has been on the faculty since 1945, a total of 29 years, in which he has been dean and is now rector and has been since 1957. We appreciate the work he's done for us and thank him for helping all of us. Even though he is at this time in Rome we know that he is with us, at least in spirit. He teaches Religion I and Latin III.

PRACTICE

BIESZKA DUNKING

BIESZKA AGAIN

What can you say about a school of 38 that downs the reigning Class D State Champs in the first game of the tournaments? Impossible? Incredible? Or maybe they're the fightingest team I've ever seen (overheard during the tournaments). Whatever you say, that team is the ROGUES, and with a 6-8 record, we're mighty proud of 'em.

 Last year, I enjoyed your company
 immensely, especially during basketball

 Besides possessing handsome qualities, you're
 also a fine player as well as human being. All
 I can say is keep smiling and take me day at a

 God Bless you,

 Hope you improve in basketball.
 In 2 years you should have a good

 summer.
 Bob Brough
 maybe you might see me too!

 Have a great summer.
 Keep up that Dinty tradition!
 Dad Bless.
 J. Rose

Doug, Well here it is. My beautiful writing gracing the
 back cover of your yearbook. You've been a great kid as
 usual, this past year, letting me pick on you and everything.
 All those mocks were just for fun though. Deep down I
 have a greater respect for you than anybody else I know.
 Even though I bomb you in paddle ball you try your
 hardest and what more can anyone do? Keep on being the
 happy person you always are. I don't know how you stay
 happy all the time but it must be because of your H&O Hickey
 (ouch). I know I've probably written too much but I just
 want to prove to you that I really respect and like you.
 Have a nice summer and maybe I'll see you.
