GENERAL INFORMATION

HISTORY

St. Joseph's Seminary was founded by the Most Reverend Henry Joseph Richter, the first Bishop of Grand Rapids. The Seminary was first opened on September 8, 1909, in a frame building just south of St. Andrew's Cathedral in downtown Grand Rapids. Monsignor Anthony Volkert, who was instrumental in organizing the seminary, was appointed rector. The following year a four-story brick structure was ready for occupancy, but in spite of an addition in 1913 it soon proved inadequate to meet the seminary's growing needs. In 1919 the present campus of 16½ acres on Burton Street was purchased, and on January 12, 1921, the new seminary building was blessed by Bishop Edward D. Kelly.

The administration building houses the seminary offices, chapel, auditorium, and classrooms. Additions to the kitchen, refectory, and chapel were constructed in 1958. To the east of this building stands the Sisters' Convent, built in 1948.

South of the administration building along Union Boulevard the gymnasium was erected.

St. Henry's Hall, a residence and classroom building was constructed in 1957 at the north-east end of the campus.

PURPOSE

St. Joseph's Seminary has for its sole purpose the initial formation of candidates for the priesthood of the Diocese of Grand Rapids. This formation covers the secondary and junior college years.

As a seminary its principal purpose is to provide for the spiritual development of the candidates to the end that their lives may be permeated with the spirit and love of Jesus Christ as the only fountainhead of meaningful personal life and fruitful apostolate to the world. This development is fostered through a thorough grounding in the principles of the Faith and active participation in the Liturgy according to the directives of the Second Vatican Council. Attention is also given to the growth of natural virtues, especially individual responsibility, self-discipline, leadership, generosity and cooperation.

As an institution of learning the seminary seeks to cultivate the student's intellect through the disciplines of the liberal arts. It offers courses in Religion, English, Latin, the modern languages, natural and social sciences, mathematics and the arts and such other areas of study as are required for an effective ministry in the Diocese of Grand Rapids.

At the same time, the seminary promotes the physical development of the student and his formation in habits of sound hygiene, so that he may possess the health required for an effective exercise of the priestly ministry.

HIGH SCHOOL DIRECTORY

Mailing address:

St. Joseph's Seminary 600 Burton Street, S.E. Grand Rapids, Michigan 49507

Telephone: 245-2159

Transportation: St. Joseph's Seminary is located in south Grand Rapids. Burton Street connects east of the Seminary with Highways M 44 and I 96, west with U.S. 131 and I 296. The Madison Bus stops at the corner of the Seminary property.

MEMBERSHIPS

St. Joseph's Seminary in the High School Department is a member of the National Catholic Education Association, the American Library Association, the Catholic Library Association, the Michigan Association of School Librarians, the National Catholic Music Educators Association, the American Catholic Historical Association, the American Institute of Biological Sciences, the National Association of Biology Teachers, Beta, Beta, Beta Biological Honor Society.

BOARD OF COUNSEL

The Rector and the faculty of the seminary are aided in their work by a Board of Counsel which serves as a channel of communication between the seminary, the parents and the diocese at large. Representatives of the clergy, parents, educators, Serrans, and the general diocesan community comprise this Board.

STUDY FACILITIES

Language Laboratories: Microschool listening-centers are used for development of language skills in French, Spanish and Latin courses.

Science Laboratories: The laboratory in the administration building provides facilities for experiments in chemistry, biology and physics.

Library: The seminary library is adapted to the liberal arts curriculum and to the special needs of seminarians. The library and reading rooms contain about 7,000 volumes, as well as an ample supply of current periodicals. The students have daily access to the library; they are also encouraged to make use of the Grand Rapids Public Library.

Music Facilities: Pianos are available for interested students. A fee of \$2.50 per semester is charged for their use. Other instruments must be furnished by the students; rooms are available for practice during free time. Arrangements can be made by students to take lessons in organ, piano, or other musical instruments outside the seminary. The high school department has a music room equipped with a stereo-phonograph; the development of love and appreciation for music is encouraged.

STUDENT SERVICES

Spiritual Direction: All spiritual activities of the students are under the guidance of the spiritual director; it is his primary duty to furnish direction to the students in their spiritual life and in their vocational problems. He is available for private consultation and the students are encouraged to seek advice and assistance at any time. Regular spiritual conferences are given by him and by the Rector on the principles of the spiritual life.

Counseling: A faculty moderator is appointed for each class. At the same time the student as well as his parents are always free to seek the counsel of any faculty member.

Food: The kitchen is under the direction of the Sisters of St. Dominic, Marywood, Grand Rapids.

Health: The infirmary is under the direction of one of the Sisters, a registered nurse. In case of illness students are attended by the Seminary physician.

Parents preferring any other physician should notify the Rector in writing at the beginning of the school year. Special medical attention, medicines, and hospitalization are to be paid for by the student. Some time during the course each student will be given the Mantoux Tuberculin Test and Chest X-ray.

Students handicapped by speech defects may be required to take special work in speech at their own expense unless this work would be covered by the Michigan Auxiliary Service Act.

Eyes and teeth must be attended to before school opens.

Laundry: Students should come provided with sufficient clothing for a two-three week period. All clothing and articles MUST be marked with the owner's name, preferably on stamped tapes.

Students use laundry mailing kits to send laundry home. A few students prefer to do part of their own laundry at a near-by laundromat.

Mailing — The most practical arrangement for those who live at a distance is to mail laundry home every two weeks. The Post Office requires students to use the zip code in their address when mailing their laundry home.

Pick-up — Parents can pick up soiled laundry and leave clean laundry in the cortile at the rear of the administration building on each Saturday morning between 8:30 and 12:00.

Recreation: The seminary sport program is under the direction of a faculty member. Baseball, tennis, handball, football, softball, and skating provide healthful outdoor recreation. The gymnasium offers facilities for basketball, handball, and volleyball.

The high school recreation rooms may be used for pingpong, pool, television and radio programs and other leisuretime activities. Movies are shown periodically in the auditorium.

The seminary high school participates in an interscholastic program in baseball and basketball with other schools.

Reports, Grades, Transcripts: A report of the student's progress is sent to his parents and pastor at regular intervals during each semester. A semester report is also issued; an accompanying certification that the report has been examined is to be returned to the Rector with the signature of the parents and of the Pastor.

GRADING

A - 93-100 Superior, 4 credit points

B - 85-92 Above Average, 3 credit points

C-77-84 Average, 2 credit points

D-70-76 Below Average, but passing, 1 credit point

F-69 or less Failure, no credit points

I – Incomplete

X – Absent from examinations

WP - Withdrew Passing

WF - Withdrew Failing

- A Superior. Indicates the student is working to his full potential, exceeding requirements of the instructor in quality and quantity of work and has an excellent grasp of the subject matter.
- B Above Average. Indicates the student is working to his potential, meeting all requirements of the instructor and has a good grasp of the subject matter.
- C Average. Indicates the student is barely meeting assignments, does not take initiative in his work or class and has only a fair grasp of the subject matter.
- D Below Average but Passing. Indicates the student is not meeting assignments and requirements of the instructor yet has a minimum grasp of the subject matter suggesting either questionable ability or insufficient application.

Scale of marking conduct and application:

I Good

II Fair. Student is advised to improve.

III Unsatisfactory. Student is on probation and must improve.

IV Totally unacceptable. Student will be dismissed.

A transcript of credits will be issued for every student who transfers to another educational institution. The first transcript will be made without charge. Each additional one, however, will carry a secretarial charge of \$1.00, which must be paid in advance. All accounts must be paid before a transcript will be issued.

Student Supplies: School supplies, books, toilet articles, and paperback books can be obtained at the student store. All the required textbooks are purchased. Candy and soft drink vending machines are located in the student recreation rooms. Proceeds go to student activity funds.

Rather than carry large sums of money with them, students are strongly advised to deposit all but a small amount in the store. Students may draw on this deposit periodically.

Testing Program: An opportunity is provided for the students to take the National Merit Scholarship Qualifying Test, the Scholastic Aptitude Test and Achievement Tests of the College Entrance Examination Board and the Michigan Competitive Scholarship Examination.

Also during fourth year high school opportunity is provided for the student to take a battery of psychological and personality tests. The tests furnish the student with a reliable summation of his personality strengths and weaknesses as they appear at the end of his high school course.

CO-CURRICULAR ACTIVITIES

Apostolic and Community Work: The spirit of Christian service nourished by prayer, study and community living extends itself to apostolic programs outside the seminary. These programs vary each year with the needs of the local community.

Student Publication: The high school students publish their own paper, THE RECORDER. This publication serves to maintain contact with the alumni and at the same time affords an opportunity to develop communications skills.

Student Organization: The Student Council coordinates the work of student committees for co-curricular activities in areas such as the missions, publicity, arts and drama. A faculty advisor is appointed to the Student Council.

REGULATIONS

The family, alive with the spirit of faith, love, and reverence, serves as a kind of introductory seminary (Decree on Priestly Formation). This initial formation is continued more intensively and systematically in the Seminary. However, the Seminary still relies on the support and cooperation of the parents in this all-important training.

Each student receives a copy of the Seminary Handbook, and the points of the seminary policy are explained at the opening of the school year. It will help the new seminarian and his parents to be aware of the following points of seminary procedure:

Students may not leave the seminary grounds without permission. Visits of parents and relatives are allowed during the time and hours appointed for that purpose. Students are granted several off-campus permissions and weekends during each semester besides the regular summer, Thanksgiving, Christmas and Easter vacations. Leave of absence from the seminary is granted for serious reasons.

Telephone calls may not be answered by the students personally, but necessary and urgent messages will be received for them. A telephone is available for students to call out.

The seminary authorities reserve the right to determine the types of reading matter that may be brought into the Seminary.

Students are held liable for damages done to seminary property.

ROOM AND BOARD, TUITION, FEES

High School Department

Students of the Diocese of Grand Rapids:
•
Room, Board, Fees* and Tuition charge per year will be\$500.00
Students from other Dioceses:
Room, Board, Fees* and Tuition charge per year will be\$936.00

*Fees: \$36.00 per year include \$12.00 accident insurance;

\$24.00 for administration, library and student paper. There is a separate laboratory fee of \$10.00 per year for chemistry and biology.

A deposit of \$15.00 must be paid on Registration Day (Sept. 2) to cover any property damage incurred by the individual student. This deposit, in whole or in part, will be refundable or applied to unpaid tuition at the end of the school year if no damages have been incurred.

The above charges do not cover the total cost of operating the seminary. The actual cost per student in the high school department is approximately \$1420.00 per year. (Tuition cost -\$350.00; room, board and operating costs -\$1070.00).

The generosity of the faithful through the Diocesan Development Fund makes up the difference between the actual cost and student charge.

Scholarships: Students in need of financial assistance may compete in the State of Michigan Competitive Scholarship Program for college.

The student will need about \$30.00 for books in high school.

TERMS

Accounts must be settled before academic credits may be obtained.

Payments should be made in advance. Quarterly and monthly payments may be made by special arrangement with the Rector.

Fees are not refundable.

ADMISSION OF STUDENTS

The Seminary accepts only those who have the intention of preparing themselves for the priesthood and who have given evidence of sufficient intellectual capacity to follow the course of studies established according to the mind of the Church for the training of her future priests. Sufficient talents in studies and the ability to apply oneself to the daily classes and assignments are one indication of a genuine vocation to the priestly life.

Students are admitted only at the beginning of the first semester. No new classes are organized for the second semester.

HIGH SCHOOL:

Students seeking admission to the high school department of the seminary must complete the following requirements:

- 1. Passing grade in entrance examination.
- 2. Application form properly filled out.
- 3. Small photo or snapshot.
- 4. Doctor's report on form supplied by the Seminary.
- 5. Baptismal certificate.
- 6. Confirmation certificate.
- 7. Parents' marriage certificate.
- 8th grade report card or high school transcript giving evidence of satisfactory work over 2 years in English, Mathematics and Social Studies.

Items 5, 6, 7: Baptismal, Confirmation, Parents' Marriage certificates must be obtained from the church where the Sacraments were received. Keepsake certificates do not suffice and cannot be accepted.

PROMOTION, PROBATION, GRADUATION PROMOTION

The yearly grade in a subject is the average of the grades earned in the first and second semesters. A student who fails to attain a passing grade for the year in one subject will be obliged to do summer work and pass an examination in that subject at the beginning of the next school year. Failure in this make-up work means that the student will have to repeat the previous year's work, if he wishes to continue his seminary course.

A student who does not maintain a satisfactory general average (1.50 credit points for the first two years and 2.00 credit points after that) in his yearly grades, or who fails two or more subjects for the year, will not qualify for promotion. Whether the student will be permitted to repeat the previous year's work will be left to the discretion of the faculty.

PROBATION

Low grades, lack of interest, or neglect of work during any semester renders a student liable to probation. He will be warned that he is on probation for the succeeding semester. During the period of probation, the student is on trial to prove his fitness to carry the seminary course of studies.

GRADUATION

For high school graduation four years of high school work are required; with a minimum of sixteen Carnegie units of credit. The sixteen units must include the following:

English	3	Mathematics	2
Latin		Science	2
Social Studies	2	Modern Language .	2
Religion	2		

Normally the Seminary program includes four units of English, as well as one unit of Speech.

CURRICULUM

First Year

Religion 1

One half unit

Salvation History. Christ promised; His life on earth; Christ living on; His final triumph.

English 1

One unit

Advanced grammar: complete review and further study of the parts of speech and sentence structure. Frequent exercises, drill in parsing. Detailed study of punctuation and capitalization. Spelling.

Composition: Writing of correct sentences. Imitative and original pieces in narration and description.

Literature: The main objectives for the first year are to interest the student in reading and to enrich his thought. Well over a hundred selections from English and American literature are assigned according to subject matter, e. g. adventure, achievement, personal ideals, the life of grace, man and his work, man and society, home and family, love of country.

Students also make reports on books which they read with the approval of their teacher.

Latin 1 One unit

An introduction to Latin with a view toward reading Latin and understanding it as it is read. Exercises emphasize changing of one Latin construction into another without changing its meaning; meeting vocabulary in context; understanding questions that use constructions which differ from those in the text that has been read; and the answering of the questions in Latin.

Algebra One unit

Basic language of Algebra. Operations with real numbers. Solving equations in one, two, and three variables. Operations with polynomials and factoring. Functions and their graphs. Irrational numbers and quadratic equations. Digital computer methods. Introduction to Trigonometry.

The Shaping of Western Society One half unit
A study of change from ancient to modern times in

four areas of Western society - politics, economies, social organization and patterns of thought.

Studies in the Non-Western World

One half unit

An examination of four non-Western countries — South Africa, China, India, and Brazil — analyzing in each case the traditional society, the impact of Western ideas and institutions, and one major contemporary problem for each country, such as economic growth of Brazil and India, apartheid in South Africa, and totalitarianism in China.

Typewriting

One quarter unit

A training in the development of typewriting skills. Instruction in typing various letter forms, essays, manuscripts. Drills in speed and accuracy.

Speech

One quarter unit

Speech is taught on the principle that "oratory is primarily in the mind." Hence First Year Speech is designed to teach the student to read aloud with comprehension. Selected speeches and poems are studied for their meaning. The techniques of voice control and projection, pronunciation and enunciation are explained and practiced.

Music

One quarter unit

The fundamentals of Music: notation, keys and signatures. A systematic program of sight-reading. Introduction to the instruments of the orchestra. Introduction to Gregorian Chant, esp. the Psalms.

Physical Education (See Second Year) One quarter unit

Second Year

Religion 2

One half unit

Worship in Biblical History. Christian Worship; the Sacraments; the Mass.

English 2

One unit

Composition: Review of principles of correct writing. Clearness in sentence and paragraph through unity, coherence, and emphasis. Variety of expression through combination and expansion. Daily written exercises.

Fundamentals of verse-writing. Book reports.

Literature: Introduction to different types of literature: the short story, the novel, narrative and lyric poetry, biography, the essay, drama, the letter, journalism. Characteristics and moods of the various types.

Latin 2 One unit

Progress in ability to read Latin with direct comprehension. Readings which review and present new grammar and new vocabulary continually enhance the student's knowledge of Latin as a language.

Continuous readings on the Trojan War.

Modern Language 1

One unit

French or Spanish

Fundamentals through audio-lingual approach; structural patterns, situational vocabulary and idiom. Basic grammar.

Regular use of language laboratory equipment.

Biology One unit

Emphasis is placed on the investigative processes of the science of biology and the history of biological ideas. By means of lectures, laboratory experiments, and field work, the following topics will be investigated: What is life? Organic evolution. The hierarchy of matter and energy. Microorganisms. Plants. Animals. Genetic continuity. Current trends in the biological sciences.

Geometry One unit

Elements of Geometry; induction and deduction; angle relationships, parallel lines and planes, congruent triangles, similar polygons, circles; coordinate geometry; transformations; areas of polygons, circles and solids.

Physical Education One quarter unit

The objectives of the Physical Educational Program are the physical fitness of the students and the development of recreational skills. The program will include organized calisthenics, competitive games, the teaching of recreational skills, and health instructions.

Choral (Elective – See Fourth Year) One half unit

Fine Arts (Elective - See Third Year) One half unit

Third Year

Religion 3

One half unit

The Church, the People of God: the Church of the Apostles, the Church and the Kingdom, the Church born of the Triumph of Christ. The Church in the World today.

English 3

One unit

Composition: Organizing paragraphs into themes. Adapting themes to the reader by making them interesting and forceful. Further study of verse-writing.

American Literature: A survey. Selections for reading guided by the interests of young people. The growth of the democratic spirit is pointed out and its place marked in the American short story and novel.

Latin 3

One unit

Review of Latin grammar and syntax. An emphasis is given to translation from English to Latin in order to sharpen the student's knowledge of grammar and syntax.

A study of the lives of Cicero and Caesar so that the student will know Rome's greatest orator and military leader and also have an appreciation of Roman civilization.

Translation from Caesar's Gallic War and selections from ecclesiastical Latin.

Modern Language 2

One unit

French or Spanish

Intermediate course. Continued study of patterns, vocabulary, grammar and idiom. Beginnings of original work, both oral and written, in the target language.

Selected readings from literature and current periodicals.

United States History

One unit

A study centering on four major themes: the development of the American economic system, the growth of the American political system, the changing American social structure, and the reflection of these developments in the American intellectual tradition.

Chemistry (Elective - See Fourth Year)

One unit

Physics (Elective - See Fourth Year)

One unit

Introduction to the Behavioral Sciences and Economics (Elective – See Fourth Year)

One unit

Algebra II (Elective – See Fourth Year)

One half unit

Choral (Elective – See Fourth Year)

One half unit

Debate I (Elective)

One half unit

The elements of debate are studied: the affirmative, the negative, the rebuttal, the strategy of debate. Fundamentals of public speaking are explained and demonstrated. The class follows a schedule of intra-mural debates to reinforce the techniques that are taught.

Fine Arts (Elective)

One half unit

Analytical study and research of artistic expression at various periods of history, especially in sculpture, painting and architecture.

Fourth Year

Religion 4

One half unit

Christian Witness in the World: Vocation. Documents of Vatican II on the Church in the World, the Apostolate of the Laity, the Priestly Ministry, the Renewal of Religious Life, with practical application by means of special student projects of current interest.

English 4

One unit

Rhetoric: Writing something every day. Building complete literary wholes of various types. Description. Narration. Exposition. Argumentation. Verse writing.

English Literature. Its history. Adequate number of selections to enable student to appreciate an age through its literature and an author through his works. Contemporary literature.

Government

One half unit

A comparison of the contemporary governments of the U.S. and the U.S.S.R., examining the nature of leadership, the institutional setting, decision-making, the role of the individual citizen, and the ideology.

Speech

One half unit

Students are admitted to this course who have taken First Year Speech or its equivalent. Emphasis is placed on analyzing the structure of speeches and the meaning of poems, which are then used for class participation and practice. Writing of speeches for various occasions and on the dramatic interpretation of poetry. Demonstration and class participation are a substantial part of the class each day.

Humanities

One unit

A survey of literature, philosophy and fine arts from various cultures. Selected works are examined in order to bring the student into contact with various expressions of truth, goodness, beauty, and commitment and their relationship to contemporary experience.

Latin 4 (Elective)

One half unit

Readings from Cicero's Oration against Catiline, Virgil's Aeneid, Livy's Ab Urbe Condita, Tacitus' Annals, St. Augustine's Confessions.

Essays are assigned on special topics.

Modern Language 3 (Elective)

One half unit

French or Spanish

Advanced course. Survey of literature, with extensive readings; reports and discussions in the target language.

Study of current affairs in the countries where the language is spoken; regular reading of periodicals and books.

Chemistry (Elective)

One unit

Emphasis is on imaginative thinking and logical predictions of chemical concepts. Through lectures and laboratory experiments the following will be investigated: Energy and matter. Atomic theory. Behavior of gases. Bonding of atoms. Ionization. Predictability in chemical reactions. Organic chemistry. Industrial chemistry. Nuclear chemistry. Chemistry problems.

Physics (Elective)

One unit

Introduction to the basic concepts and laws that govern our physical world. Heat, light, sound, electricity. Demonstrations and laboratory.

Introduction to the Behavioral Sciences and

Economics (Elective)

One unit

A study of two issues: the method of inquiry of the

behavioral sciences (psychology, sociology, and anthropology) and selected generalizations about the behavior of men as individuals and groups in their social, economic and political setting.

Algebra II (Elective)

One half unit

Mathematical statements and proofs, solving equations and inequalities; sequences of real numbers, linear functions and relations; systems of linear open sentences, polynomials and rational algebraic expressions; radicals, irrational numbers, and quadratic equations; polynomial functions and complex numbers; exponents and numerical computation; quadratic relations and systems.

Trigonometry (Elective)

One quarter unit

Trigonometric and circular functions; trigonometric identities and formulas; inverses of periodic functions — polar coordinates and vectors; permutations, combinations, and probability; matrices and determinants.

Choral (Elective)

One half unit

Voice training. Preparation of various types of music, in unison and in parts.

The choral class functions as the seminary choir and prepares appropriate music for liturgical services.

Debate II (Elective)

One half unit

Builds on the foundation established in Debate I. Emphasis is placed on the sources of information for debate: researching the question, evaluating evidence, developing proof. A basic explanation is given of the principles of logic and argumentation. Students participate in interscholastic debate as a member group of the Michigan High School Debate League.

DIRECTORY:

Mailing Address: Diocesan College House 2001 Robinson Road, S.E.

Grand Rapids, Michigan 49506

Telephones: Faculty: 458-5577

Students: 459-0457

Transportation: The Diocesan College House is located just east of Aquinas College, at the corner of Robinson Road and Woodward Lane. Woodward runs north into Fulton Street (Business M 21); Robinson Road runs east into Cascade Road (Business I 96).

ROOM, BOARD, TUITION, FEES:

Students of the Diocese of Grand Rapids:

Room, Board, and Tuition charge

per semester will be\$450.00

Students from other Dioceses:

Room, Board, and Tuition charge per semester will be\$650.00

A dormitory deposit of \$25.00 per semester, payable in advance, will be required of each student. This deposit will pay for damages or breakage, as well as for medicines and other expenses incurred by the student and not paid for by the end of the semester. Whatever is left at the end of the semester will be applied to tuition or refunded.

Books generally cost the student between forty and fifty dollars.

The actual cost per student in the college department is approximately twelve hundred dollars per semester. This includes tuition and cafeteria costs at Aquinas College as well as the operating costs of the college house. The generosity of the faithful through the Diocesan Development Fund makes up the difference between the actual cost and the student charge. Students are expected to help reduce operating expenses by contributing a number of hours of work each week. The life of prayer and of apostolic work in the diocese are a further way of showing their appreciation.

Payments should be made in advance. Quarterly and monthly payments may be made by special arrangement with the Rector or the Dean of College. Payments are made to the Seminary, not to Aquinas College directly.

Students in need of financial assistance are encouraged to compete in the State of Michigan Competitive Scholarship Program for college.

ADMISSION

The junior college students of Saint Joseph's Seminary take their courses at Aquinas College, Grand Rapids. They reside at the college residence, 2001 Robinson Rd., S.E.

For graduates of the Seminary high school admission to the junior college program will be granted under the following conditions:

- 1. Graduation from the Seminary high school with a 2.00 average.
- 2. Fulfillment of the admission requirements of Aquinas
- 3. Continued recommendation of the Seminary faculty and of the student's Pastor.

For graduates of other high schools admission to the junior college program will be granted on the following conditions:

- 1. Graduation from high school with a 2.00 average.
- 2. Recommendation of Pastor and Principal.
- 3. Presentation of the following documents to the Seminary:
 - Seminary application form properly filled out (including small photo or snapshot)
 - b. Certificates of baptism, confirmation, and parents' marriage (obtained from the respective churches)
- 4. Fulfillment of Aquinas College admissions requirements.

Students must reach third semester proficiency in Latin. This can be done by examination or by successfully completing a 200-level course at Aquinas College.

GRADES AND CREDITS

The school year is divided into two semesters of sixteen weeks each. Instruction is evaluated in semester hours. A semester hour is defined as one class period of fifty minutes requiring approximately two hours of preparation a week carried throughout a semester. A two-hour period of laboratory work is considered the equivalent of one semester hour.

Sixteen semester hours of work is considered the normal class load. As all courses do not carry the same number of semester hours, the load may vary from fifteen to eighteen hours. No student may enroll for more than eighteen hours without special permission.

Grade reports are sent to parents after the close of each semester. The student's grade for each course is determined by class work, tests, and semester examination. Tentative grades for students are filed at the mid-semester. At the end of each semester a report of the student's grades is filed in the Registrar's office.

The work of students in each subject is graded by letter and by number of honor points as listed below:

GR	ADE	SIGNIFICANCE	HONOR POINTS
A	Excellent	93 - 100	4
\mathbf{B}	Good	85 - 92	3
\mathbf{C}	Average	77 - 84	2

D Poor, but Passed
F Failed
I Incomplete
X Absent from Examination
WP Withdrew Passing
WF Withdrew Failing
FA Failure because of excessive absences

To be in GOOD STANDING a student must have at least twice as many honor points as the semester hours of work he has completed. In order to qualify for promotion to sophomore status, a freshman must accumulate at least 28 semester hours and 56 honor points; in order to graduate from the junior college department, sophomores must accumulate at least 60 semester hours and 120 honor points.

CURRICULUM

Required Courses: Theology (8 hours minimum)

English (12 hours)

History (Western Civilization, 6 hours) Laboratory Science (8 hours) or Mathe-

matics (6 hours)
