PURPOSE

St. Joseph's Seminary, a Minor Seminary, has for its sole purpose the training of young men to the holy priesthood. In the course of training, which covers a period of six years, four of high school and two of junior college, it aims to give the student that intellectual enlargement which will serve as a solid foundation for his higher studies in the Major Seminary. In keeping with this purpose, special attention is given to the classical studies, particularly to the study of Latin.

Simultaneously with the acquisition of knowledge and the development of the intellectual faculties there must be a sound growth in virtue and piety, and a real upbuilding of moral character. The aspirant to Christ's priesthood must learn from his early years to know and to follow His Divine Master. Hence the Seminary must be a second Nazareth, a retreat removed from the distractions of the world where Christ's chosen ones may harken to that voice which teaches the lessons of the Hidden Life.

The specific work of the Seminary has been sufficiently defined by the Church, and in particular by the Council of Trent, the Plenary Councils of Baltimore, and more recently by the Code of Canon Law and the Apostolic Constitution, "Deus Scientiarum Dominus." It is the endeavor of this institution to follow these prescriptions as closely as possible.

HISTORICAL SKETCH

St. Joseph's Seminary, founded by the Most Reverend Henry Joseph Richter, first Bishop of Grand Rapids, was opened on September 8, 1909, in a frame building just south of St. Andrew's Cathedral on Sheldon Avenue. The Reverend Anthony Volkert, D.D., upon whom the organization of the new Seminary devolved, was appointed rector.

The following year a four-story brick structure was ready for occupancy. The student body increased and additions were made to the faculty. From that time the Seminary continued steadily to grow and although an addition was erected in 1913, the building proved inadequate for some time previous to the purchase of the present site.

One of the first needs of the diocese to which the Most Reverend Edward D. Kelly turned his attention after his installation in 1919 was the securing of a favorable site for a new seminary building. Property was accordingly purchased

in June of the same year; the corner-stone was laid on November 20, and on January 12, 1921, the building was solemnly blessed by Bishop Kelly in the presence of the clergy of the Grand Rapids and neighboring dioceses.

At the outset it was intended that St. Joseph's Seminary train the student as far as the course of philosophy. The program of studies consists of a classical course of six years. Lack of adequate room did not allow for the enrollment of all the students as boarders; hence during the period of occupancy of the building on Sheldon Avenue up to the year 1921, students residing in the city of Grand Rapids were enrolled as day scholars for the first five years of their course, and as boarders the last year. All other students were enrolled as boarders. When the first building on Burton Street was completed all students without exception were required to enroll as boarders.

SITE

Located in one of the higher and most healthful sections of Grand Rapids, the site of St. Joseph's Seminary is ideal. It consists of twenty-two acres enclosed by Burton and Winchell Streets, Martin Avenue and Union Boulevard. The grounds are hedged by a variety of beautiful trees among them great oaks, surviving witnesses of the pioneer days of Western Michigan.

ADMINISTRATION AND HIGH SCHOOL BUILDING

Considerable care was taken in planning the building and in making it what it is, one of the most suitable structures in the country in providing for the needs of young aspirants to the priesthood. Though luxury and superfluity have been avoided, nothing has been overlooked that contributes to the seminarian's proper development. It was built for 120 students.

The building is E-shaped with a frontage of 152 feet, and faces the north. It is of red pressed-brick and Sandusky stone, fire-proof construction. The floors are, for the most part, terrazzo. In the ten-foot basement, which extends well above the ground, are located the kitchen and refectory and store. In the west wing, where the excavation extends deeper, is located the recreation room. This serves also for an auditorium, and has in the north end a fully equipped stage. All conveniences for presenting literary programs, dramas, and educational films, are provided.

On the first floor directly opposite the main entrance and occupying the central portion of the E, is the chapel. Its Romanesque architecture with furnishings harmonizing is well calculated to inspire devotion. The beautiful altars are of rigalico and Vermont marble; the finish is old ivory and gold. The rich windows of Munich stained glass portray those scenes from our Lord's life that more especially relate to the training of the priest.

The study hall occupies all of the west wing of the first floor, the infirmary most of the east wing. The Seminary office, the faculty room, parlors, and the Rector's room are also located on the first floor.

On the second floor are the libraries, the professors' living quarters, recitation rooms, and laboratories. The third and fourth floors are occupied principally by dormitories, bath-rooms, and locker rooms.

COLLEGE RESIDENCE HALL

At the east end of the seminary drive, facing west, is the entrance to the new College Residence Hall. It will be dedicated in the fall of 1957. It is an F-shaped building consisting of classrooms, library, recreation room, physics laboratory, 66 student rooms, and 6 faculty suites. An underpass connects the College Residence Hall with the Administration Building.

ACTIVITIES BUILDING

South of the service entrance, along Union Boulevard, stands the new Activities Building dedicated by Bishop Allen J. Babcock, November 11, 1956. It contains three regulation basketball courts which, in season, can be converted into five volleyball courts. At the north end of the gymnasium are doors leading to four indoor handball courts. East of the gymnasium is an adjoining wing containing locker and shower rooms, a room for drying clothes, and director's office. The exterior of the building provides wallspace for ten handball courts.

CAMPUS

Standing back on an elevation 300 feet from Burton Street, the Administration Building is approached by a broad concrete drive that describes a semicircle. The enclosed portion and the grounds on either side comprise a grassy plot well-watered and set with trees and shrubs.

The recreation area includes outdoor handball courts, baseball diamonds, football fields, tennis courts, and facilities for track events. Geological conditions provide the best possible drainage, a feature that insures a maximum of usage for the campus in early spring and late fall. A skating rink is prepared each winter.

To the east of the Administration Building stands the new Sisters' Convent constructed in 1948.

LIBRARIES

Each department, high school and college, has a library adapted to a liberal arts curriculum. The two libraries contain a total of 11,000 volumes which are properly catalogued. A trained librarian is in charge. The students have daily access to the reading rooms and the stacks.

LABORATORIES

Ample space and equipment are provided for the science courses.

ADMISSION OF STUDENTS

Only students who have the intention of preparing themselves for the priesthood and who give good hope of acquiring suitability for a priestly vocation are admitted and allowed to remain.

A student seeking admission will be furnished with a form for his personal application. A special recommendation blank will be filled out by the applicant's Pastor. Students who have attended another Seminary or institution must also present a testimonial letter from that institution.

All applicants must be of sound health and free from canonical impediments, and must have satisfactorily completed at least the eighth grade.

The complete list of requirements is the following:

1. Passing grade in entrance examination.
2. Admission form properly filled out.
3. Recommendation form from Pastor.
4. Certificates of Baptism and Confirmation.
5. Doctor's report of physical examination.
6. Small photograph with name and date.
7. Transcript of studies completed and teacher's recommendation.
8. Parish certificate of parents' marriage.

St. Joseph's Seminary is the minor Seminary for students of the Diocese of Grand Rapids. However, as long as facilities are ample to take care of a larger number of students than the needs of the diocese require, students from other dioceses will be admitted, and accorded all the advantages of the institution. The present capacity of St. Joseph's Seminary is about 300 students in high school and junior college.

Grand Rapids 7, Michigan

Telephone: CHerry 5-2159

Transportation: St. Joseph's Seminary is located in south Grand Rapids. Burton Street connects east of the Seminary with Highways M 37 and U.S. 16, west with U.S. 131.

The Madison Bus stops at the corner of the Seminary property.

VISITS

Visits of parents and relatives are allowed during the time and hours appointed for that purpose. The first visiting day of the school year is the third Sunday in October.

LETTERS AND PARCELS

Too frequent and unnecessary correspondence is an obstacle to progress in studies. Special Delivery letters or parcels should not be sent to the student. Telephone calls may not be answered by the students personally, but necessary and urgent messages will be received for the students. However, only the most necessary and urgent calls will be heeded.

No student may subscribe for or receive newspapers or periodicals. Boxes containing provisions may not be brought in.

STUDENT'S WARDROBE

The clothes of the students must be plain and sober, dark in color and conservative in style. All the articles which can be laundered must be marked with the owner's name, preferably on stamped tapes. All clothing must be marked before

the enrollment date. Students use laundry mailing kits to send laundry home each week.

As permission to make purchases during the school year is not easily obtained, students should come provided with sufficient clothing. Students should come equipped with the following articles: Adequate changes of outer clothing and underwear, one overcoat, one sweater coat, rubber-heeled shoes, rubbers or overshoes, slippers, six pairs of hose, three pajamas; bathrobe, gymnasium shoes with white soles, two white cotton trunks and two white cotton shirts for gymnasium wear; a supply of towels, handkerchiefs, napkins and toilet articles; two laundry bags, one laundry mailing kit, four bed-sheets (63x99), three pillow slips, two white bedspreads, one heavyweight blanket for $\frac{3}{4}$ -size bed, and one mattress protector. The bedspreads may be purchased at the Seminary store.

DOMESTIC DEPARTMENT

The kitchen is under the capable direction of the Sisters of St. Dominic, Marywood, Grand Rapids. The students are served an abundant supply of wholesome food.

MEDICAL CARE

The infirmary is in charge of one of the Sisters, a trained nurse. In case of illness students are attended by the regular Seminary physician. If any other physician is preferred by parents, notice of this choice should be made known to the Rector in writing at the beginning of the school year.

Special medical attention, medicines, hospitalization, and special diets are to be paid for by the student.

Eyes and teeth particularly must be attended to before school opens.

Sometimes during the course each student will be given the Mantoux Tuberculin Test and Chest X-ray.

Students handicapped by speech defects may be required to take special work in speech at their own expense.

VACATIONS

Students may spend the summer vacation and the Christmas and Easter Holidays at home.

The vacation periods have particular dangers for youth. Faithful attention to religious duties is so necessary that no seminarian may hope to work out his vocation if he neglects them. Parents should observe closely the associations of their

sons during vacation. They should be mindful that from the time that their boys enter the Seminary, there are associations as well as forms of amusement, legitimate for young people in the world, that are unbecoming or even entirely forbidden to aspirants to the priesthood. The paganism of the theater, television, and modern literature is a positive danger. Every student should assist at Holy Mass daily, and should receive the Sacrament of Penance and the Eucharist as frequently as is the order of life in the Seminary.

In large measure, a seminarian is the responsibility of his Pastor with whom he is advised to keep in touch throughout the vacation. In accordance with statute No. 28 of the Second Synod of Grand Rapids, the Pastor is under obligation to submit to the Rector a signed and sealed report about the seminarian's conduct during vacation time.

EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activities are the responsibility of two student councils which carry the names of *the College Students' Catholic Action Service* and *the High School Students' Catholic Action Service*.

In each division, the Students' Catholic Action Service (SCAS) coordinates, under proper supervision and direction, the work of the various spiritual organizations and student committees for extra-curricular activities. All students are members; they elect their own officers.

For the purpose of promoting these activities, meetings are held every Sunday morning. These meetings are a medium for cultivating literary talent and extemporaneous speaking. They also afford pleasing and profitable diversion from the routine of the classroom. Members have the opportunity of cultivating the art of public speech, and becoming acquainted with parliamentary procedure.

The principal organizations and committees which carry on their activities through the Students' Catholic Action Service are the following:

The Apostleship of Prayer promotes devotion to the Sacred Heart especially through the First Friday observance and the three degrees of membership.

The Archsodality of the Blessed Sacrament, an association founded by Blessed Peter Julian Eymard, fosters adoration to the Most Holy Sacrament and promotes the glory of Our Eucharistic Lord.

The Sodality of the Immaculate Conception of the Blessed Virgin Mary is a religious society, whose purpose is devotion to the Blessed Virgin as a means to a Christlike life.

The Confraternity of Christian Doctrine.

The Society of the Angelic Warfare is a confraternity canonically erected under the patronage of Our Blessed Lady and St. Thomas Aquinas. It is recommended by the Holy Father to seminarians as a most potent agency for purity.

The Academia, a Mission Society, sponsors an active membership in The Society for the Propagation of the Faith, mission study programs, prayers, and alms for the Missions. Mission programs are presented at least once each month.

The Newman Literary Society affords more extended opportunity for appreciation of literary arts and the application of the principles of rhetoric and public speaking. Debates, orations, declamations, reviews and criticism, and original essays form the staple of the programs.

Other committees which channel their activities through the SCAS are the following: *St. Joseph's Committee* for help in maintenance; the *Committee on Community Affairs* for recreational activities; the *Committee on Democracy* for the promotion of parliamentary procedure and patriotic programs; the *Publicity Committee* for the stimulation of interest in SCAS activities. The *Athletic Committee* for a program of sports; the *Drama Committee* for student skits and stage productions; the *Latin Club*.

CHOIR

The members of the Seminary Choir are selected from the Music classes. The choir prepares the Proprium de Tempore for Mass and Vespers of Sundays and Feast Days, and prepares a varied program of Masses and motets in modern polyphonic form.

STUDENT PUBLICATION

The students publish their own paper THE RECORDER six times a year. Each issue has two parts, one the journalistic product of the high school, the other of the junior college.

ATHLETICS

The spacious grounds of the Seminary furnish ample room for athletics. Baseball, tennis, handball, football, softball,

and skating provide healthful outdoor recreation for the students.

The Activities Building offers facilities for indoor leisure time games such as basketball, handball, and volleyball. The recreation rooms in the Administration Building may be used for table tennis, television and radio programs.

DISCIPLINE

Suitability for the priesthood is ascertained by the Seminary authorities who act in the name of the Bishop of the Diocese. The proof of this suitability is to be found in a definite development of virtue and of character, and in progress towards a certain standard of knowledge. Obedience, piety, humility, fidelity to rules, and an upright intention are virtues that are necessary in an aspirant to the priesthood. He must give a well-founded hope that he is able and willing to acquire suitability before his Bishop calls him to the priesthood.

The seminary authorities are interested principally in developing the positive traits of the candidates for the priesthood. They may not, however, fail to recognize evidence of unsuitability. In accordance with Church law then: "Disorderly, incorrigible, or seditious students, and those who because of their character or temperament do not seem suitable candidates for the clerical state, shall be dismissed from the seminary. Students who progress so slowly in their studies that there is not much hope that they will acquire sufficient learning, shall also be dismissed. If a seminarian should be guilty of an offense against good morals or the faith, he shall be summarily discharged." (Canon 1371)

ATTENDANCE

Leaves of absence from the seminary and dispensations from classes and laboratory periods are not granted except in emergencies. Unauthorized absence from the seminary is a serious offense punishable by dismissal.

The faculty reserves to itself the right to refuse promotion to students whose absences even for legitimate reasons are too frequent.

EXAMINATIONS

Regular examinations in all subjects are held twice in each semester. Oral and written tests are given at the discretion of the instructors. Educational and Psychological Tests are given during the year to enable the instructors to evaluate better the needs of the students and to enhance their scholastic progress.

WARNING AND PROBATION

Low grades, lack of interest, or neglect of work during any semester renders a student liable to probation. A student who does not maintain an average higher than 78 or C will be warned. If a student's scholastic average is less than 78 or C, or if a student has one failing grade he will be put on probation for the succeeding semester. During the period of probation, the student is on trial to prove his fitness to carry a seminary course of studies. He is required to remove the probation to qualify for promotion in the course or for graduation.

REPORTS AND TRANSCRIPTS

A report of the student's progress is sent to the parents at regular intervals during each semester; this report is to be signed by the parents. A semester report is also issued; an accompanying certification that the report has been examined is to be returned to the Rector with the signature of the parents and of the Pastor.

A transcript of credits will be issued for every student who transfers to another educational institution. The first transcript will be made without charge. Each additional one, however, will carry a secretarial charge of \$1.00, which must be paid in advance. All accounts must be paid before a transcript will be issued.

HIGH SCHOOL

SCHOLASTIC REQUIREMENTS FOR ADMISSION

It is advised that boys aspiring to the priesthood enter the Seminary High School at the completion of their eighth grade. The applicants should present a report card which will show at least a C or 78 average in elementary English, arithmetic, and social studies.

While the Seminary is desirous of recognizing credits obtained above the grammar grades, it finds it necessary, in

keeping with the requirements of Major Seminaries, to maintain high standards. Accordingly applicants for higher grades in high school are required to pass a satisfactory examination especially in Latin. Experience has shown that most of those who make their high school course before enrolling in the Seminary must attend special classes for one or more years, before they are adequately adjusted to a prescribed course of studies.

Students are admitted only at the beginning of the first semester. No new classes are organized for the second semester.

GRADING SYSTEM

The students are graded as follows:

A — 94-100	Extraordinary
B — 86-93	Better than average
C — 78-85	Average
D — 70-77	Less than average
F — Less than 70	Failure
I —	Incomplete
X —	Absent from Examination
WP —	Withdrew Passing
WF —	Withdrew Failing

Promotions are made at the beginning of the first semester only.

GRADUATION

For high school graduation and admission to junior college a minimum of sixteen units of credit is required. A unit is a year's work in one subject and includes a total of 120 sixty minute hours of prepared classroom work. Classes are recitation periods of fifty minutes each held four times a week. The school year consists of two semesters of eighteen weeks each.

The sixteen units of credit required for graduation must include four sequences of subjects, that is, two major sequences and two minor sequences. A major sequence consists of a minimum of three units, a minor sequence of a minimum of two units. Sequences are grouped as follows: Major sequences in each, English and Latin; minor sequences in each of the following: 1) in Religion, 2) in Greek, 3) in one of the Modern Languages (French, Spanish, German, Polish, Italian), 4) in Mathematics (Algebra, Geometry), 5) in Science (Biology, Chemistry), 6) in Social Sciences (United States History, World History.) Public Speaking is also a credited course.

CURRICULUM

First Year

Religion 1 One half unit

The Apostle's Creed. Commandments.
Grace and Prayer.

English 1 One unit

Advanced Grammar: The Parts of Speech in the Sentence. Inflection. Syntax. Frequent exercises and drill in parsing.

Composition: Teaching the student to write a good sentence, interesting him to write more. Assigning imitative and original pieces in narration and description. Two exercises a week.

MUSIC

Music 1, 2, 3, 4 No units

During the first year instructions in the rudiments of musical notation, both modern and Gregorian, are given, and the foundation for sight-singing and ear-training is laid. Elementary solmization in the various scales and measures gradually introduces the student to an intelli-

gent grasp of the outward form of song and an acceptable rendition of it. Various types of song as well as sacred hymns are studied.

During the succeeding years more extended instructions in musical notation are given to which is added the study of tone relationship, delivery, and expression; and of part singing and choral songs. Especial attention is given to the rhythm and modality of Gregorian Chant. The classes are drilled in the chanting of vespers, benediction service, and plain chant Masses.

JUNIOR COLLEGE

ACADEMIC REQUIREMENTS

Unconditional admission to junior college will be granted to the graduates of St. Joseph's Seminary High School who have earned at least a C or 78 rating.

Other students who make their homes within the limits of the Diocese of Grand Rapids and who seek admission to junior college must present a transcript of their high school record showing that they are qualified and recommended for seminary college work. Fifteen units of credit must appear on their high school record.

Applicants who fail to meet these requirements or who do not meet St. Joseph's Seminary Junior College standards may be enrolled on probation as "Special Students" until they have removed the academic deficiencies and have become eligible for promotion to the sophomore year.

ACADEMIC GRADES AND CREDITS

The school year is divided into two semesters of eighteen weeks each. Written examinations are held twice each semester.

Grades are recorded as follows:

A — 94-100	Extraordinary	3 Quality Points
B — 86-93	Better than average	2 Quality Points
C — 78-85	Average	1 Quality Point
D — 70-77	Less than average	0 Quality Points
F — Less than 70	Failure	-1 Quality Point
I —	Incomplete	
X —	Absent from Examination	
WP —	Withdrew Passing	
WF —	Withdrew Failing	

Instruction is evaluated in semester hours. A semester hour is one class period of fifty minutes or a laboratory period of 100 minutes for the duration of one semester. A passing grade (D or 70) is required for every credit.

Quality points are also recorded. One quality point per semester hour is given for a C grade (78-85), two for a B grade (86-93), and three for an A grade (94-100). In order to graduate a student must have a minimum of 64 credits and 64 quality points, and must have passed all courses in English and Latin.
