GENERAL INFORMATION

HISTORY

St. Joseph's Seminary was founded by the Most Reverend Henry Joseph Richter, the first Bishop of Grand Rapids. The Seminary was first opened on September 8, 1909, in a frame building just south of St. Andrew's Cathedral in downtown Grand Rapids. Monsignor Anthony Volkert, who was instrumental in organizing the seminary, was appointed rector. The following year a four-story brick structure was ready for occupancy, but in spite of an addition in 1913 it soon proved inadequate to meet the seminary's growing needs. In 1919 the present campus of 16½ acres on Burton Street was purchased, and on January 12, 1921, the new seminary building was blessed by Bishop Edward D. Kelly.

The administration building houses the seminary offices, chapel, auditorium, and classrooms. Additions to the kitchen, refectory, and chapel were constructed in 1958. To the east of this building stands the Sisters' Convent, built in 1948.

South of the administration building along Union Boulevard the gymnasium was erected.

St. Henry's Hall, a residence and classroom building was constructed in 1957 at the north-east end of the campus.

PURPOSE

St. Joseph's Seminary has for its sole purpose the initial formation of candidates for the priesthood of the Diocese of Grand Rapids. This formation covers the secondary and junior college years.

As a seminary its principal purpose is to provide for the spiritual development of the candidates to the end that their lives may be permeated with the spirit and love of Jesus Christ as the only fountainhead of meaningful personal life and fruitful apostolate to the world. This development is fostered through a thorough grounding in the principles of the Faith and active participation in the Liturgy according to the directives of the Second Vatican Council. Attention is also given to the growth of natural virtues, especially individual responsibility, self-discipline, leadership, generosity and cooperation.

As an institution of learning the seminary seeks to cultivate the student's intellect through the disciplines of the liberal arts. It offers courses in Religion, English, Latin, the modern languages, natural and social sciences, mathematics and the arts and such other areas of study as are required for an effective ministry in the Diocese of Grand Rapids.

At the same time, the seminary promotes the physical development of the student and his formation in habits of sound hygiene, so that he may possess the health required for an effective exercise of the priestly ministry.

BOARD OF COUNSEL

The Rector and the faculty of the seminary are aided in their work by a Board of Counsel which serves as a channel of communication between the seminary, the parents and the diocese at large. Representatives of the clergy, parents, educators, Serrans, and the general diocesan community comprise this Board.

STUDY FACILITIES

Language Laboratories: Microschool listening-centers are used for development of language skills in French, Spanish and Latin courses.

Science Laboratories: The laboratory in the administration building provides facilities for experiments in chemistry, biology and physics.

Library: The seminary library is adapted to the liberal arts curriculum and to the special needs of seminarians. The library and reading rooms contain about 7,000 volumes, as well as an ample supply of current periodicals. The students have daily access to the library; they are also encouraged to make use of the Grand Rapids Public Library.

Music Facilities: Pianos are available for interested students. A fee of \$2.50 per semester is charged for their use. Other instruments must be furnished by the students; rooms are available for practice during free time. Arrangements can be made by students to take lessons in organ, piano, or other musical instruments outside the seminary. The high school department has a music room equipped with a stereo-phonograph; the development of love and appreciation for music is encouraged.

STUDENT SERVICES

Spiritual Direction: All spiritual activities of the students are under the guidance of the spiritual director; it is his primary duty to furnish direction to the students in their spiritual life and in their vocational problems. He is available for private consultation and the students are encouraged to seek advice and assistance at any time. Regular spiritual conferences are given by him and by the Rector on the principles of the spiritual life.

Counseling: A faculty moderator is appointed for each class. At the same time the student as well as his parents are always free to seek the counsel of any faculty member.

Food: The kitchen is under the direction of the Sisters of St. Dominic, Marywood, Grand Rapids.

Health: The infirmary is under the direction of a registered nurse. In case of illness students are attended by the Seminary physician. Parents preferring any other physician should notify the Rector in writing at the beginning of the school year. Special medical attention, medicines, and hospitalization are to be paid for by the student. Some time during the course each student will be given the Mantoux Tuberculin Test and Chest X-ray.

Students handicapped by speech defects may be required to take special work in speech at their own expense unless this work would be covered by the Michigan Auxiliary Service Act.

Eyes and teeth must be attended to before school opens.

Laundry: Students should come provided with sufficient clothing for a two-three week period. All clothing and articles MUST be marked with the owner's name, preferably on stamped tapes.

Students use laundry mailing kits to send laundry home. A few students prefer to do part of their own laundry at a near-by laundromat.

Mailing — The most practical arrangement for those who live at a distance is to mail laundry home every two weeks. The Post Office requires students to use the zip code in their address when mailing their laundry home.

Pick-up—Parents can pick up soiled laundry and leave clean laundry in the cortile at the rear of the administration building on each Saturday morning between 9:00 and 12:00.

Recreation: The seminary sport program is under the direction of a faculty member. Baseball, tennis, handball, football, softball, and skating provide healthful outdoor recreation. The gymnasium offers facilities for basketball, handball, and volleyball.

The high school recreation rooms may be used for pingpong, pool, television and radio programs and other leisuretime activities. Movies are shown periodically in the auditorium.

The seminary high school participates in an interscholastic program in baseball, basketball, golf and cross-country with other schools.

Reports, Grades, Transcripts: A report of the student's progress is sent to his parents and pastor at regular intervals during each semester. A semester report is also issued; an accompanying certification that the report has been examined is to be returned to the Rector with the signature of the parents and of the Pastor.

REGULATIONS

The family, alive with the spirit of faith, love, and reverence, serves as a kind of introductory seminary (Decree on Priestly Formation). This initial formation is continued more intensively and systematically in the Seminary. However, the Seminary still relies on the support and cooperation of the parents in this all-important training.

Each student receives a copy of the Seminary Handbook, and the points of the seminary policy are explained at the opening of the school year. It will help the new seminarian and his parents to be aware of the following points of seminary procedure:

Students may not leave the seminary grounds without permission. Visits of parents and relatives are allowed during the time and hours appointed for that purpose. Students are granted weekly off-campus permissions and specified weekends at home during each semester besides the regular summer, Thanksgiving, Christmas and Easter vacations. Leave of absence from the seminary is granted for serious reasons.

Telephone calls may not be answered by the students personally, but necessary and urgent messages will be received for them. A telephone is available for students to call out.

The seminary authorities reserve the right to determine the types of reading matter that may be brought into the Seminary.

Students are held liable for damages done to seminary property.

ROOM AND BOARD, TUITION FEES

High School Department

Room, Board, Fees* and Tuition charge per year....\$1550.00

This represents approximately the actual cost per student per year.

*Fees: \$36.00 per year include \$12.00 accident insurance; \$24.00 for administration, library and entertainment. There is a separate laboratory fee of \$10.00 per year for chemistry and biology.

Students of the Diocese of Grand Rapids pay \$600.00 per year of the room, board, fees and tuition charge. The difference between the student charge of \$600.00 and the actual cost is made up by the generosity of the faithful through the Diocesan Development Fund.

Students from Other Dioceses should arrange with their own Chancery Office regarding the amount the student is expected to pay toward the full room, board, fees and tuition charge.

A deposit of \$15.00 must be paid on Registration Day (Sept. 5, 6) to cover any property damage incurred by the individual student. This deposit, in whole or in part, will be refundable or applied to unpaid tuition at the end of the school year if no damages have been incurred.

Scholarships: Students in need of financial assistance may compete in the State of Michigan Competitive Scholarship Program for college.

The student will need about \$30.00 for books in high school.

Accounts must be settled before academic credits may be obtained.

Payments should be made in advance. Quarterly and monthly payments may be made by special arrangement with the Rector.

Sufficient talents in studies and the ability to apply oneself to the daily classes and assignments are one indication of a genuine vocation to the priestly life.

Students are admitted only at the beginning of the first semester. No new classes are organized for the second semester.

PROMOTION, PROBATION, GRADUATION

PROMOTION

The yearly grade in a subject is the average of the grades earned in the first and second semesters. A student who fails to attain a passing grade for the year in one subject will be obliged to do summer work and pass an examination in that subject at the beginning of the next school year. Failure in this make-up work means that the student will have to repeat the previous year's work, if he wishes to continue his seminary course.

A student who does not maintain a satisfactory general average (1.50 credit points for the first two years and 2.00 credit points after that) in his yearly grades, or who fails two or more subjects for the year, will not qualify for promotion. Whether the student will be permitted to repeat the previous year's work will be left to the discretion of the faculty.

PROBATION

Low grades, lack of interest, or neglect of work during any semester renders a student liable to probation. He will be warned that he is on probation for the succeeding semester. During the period of probation, the student is on trial to prove his fitness to carry the seminary course of studies.

Builds on the foundation established in Debate I. Emphasis is placed on the sources of information for debate: researching the question, evaluating evidence, developing proof. A basic explanation is given of the principles of logic and argumentation. Students participate in interscholastic debate as a member group of the Michigan High School Debate League.

Books generally cost the student between forty and fifty dollars.

ROOM AND BOARD

The actual cost per student at Christopher House is approximately \$370.00 per semester. This includes cafeteria costs at Aquinas College as well as the operating costs of the House.

The students are expected to contribute a number of hours of work each week, for which they are credited with one hundred dollars a semester. The rest of the cost for students of the Grand Rapids Diocese is provided for by the generosity of the faithful through the Diocesan Development Fund. Students from other dioceses are expected to pay the rest of the cost of their board.

A dormitory deposit of \$25.00, payable in advance, will be required of each student. This deposit will pay for damages or breakage, as well as for medicines and other expenses incurred by the student and not otherwise paid for.
