## PURPOSE

St. Joseph's Seminary, a Minor Seminary, has for its sole purpose the training of young men to the holy priesthood. In keeping with its purpose the Seminary seeks to train its students spiritually, intellectually and physically for their work in a major seminary and ultimately for the duties and responsibilities of the diocesan priesthood.

The course of training aims to cultivate in the hearts of the seminarians deep faith, solid piety, a real growth in virtue and a zeal for the spread of Christ's Kingdom by means of the work of the diocesan clergy. The aspirant to Christ's priesthood must learn from his early years to know and follow His Divine Master and fashion his mind and character according to the pattern of Jesus Christ and the ideals of Christ's Church.

Along with this spiritual training there must be a steady acquisition of knowledge and a development of the student's intellectual faculties. The course of studies covers a period of six years, four years of classical high school work and two years of liberal arts junior college work; the program of studies serves as a preparation for the specialized courses of philosophy and theology at the major seminary. In keeping with the needs of the priesthood, special attention is given to the study of Latin.

The specific work of the Seminary has been sufficiently defined by the Church, and in particular by the Council of Trent, the Plenary Councils of Baltimore, and more recently by the Code of Canon Law and the Apostolic Constitution, "Deus Scientiarum Dominus." It is the endeavor of this institution to follow these prescriptions as closely as possible.

## HISTORICAL SKETCH

St. Joseph's Seminary, founded by the Most Reverend Henry Joseph Richter, first Bishop of Grand Rapids, was opened on September 8, 1909, in a frame building just south of St. Andrew's Cathedral on Sheldon Avenue. The Reverend Anthony Volkert, D.D., upon whom the organization of the new Seminary devolved, was appointed rector.

The following year a four-story brick structure was ready for occupancy. The student body increased and additions were made to the faculty. From that time the Seminary continued steadily to grow and although an addition was erected in 1913, the building proved inadequate for some time previous to the purchase of the present site.

One of the first needs of the diocese to which the Most Reverend Edward D. Kelly turned his attention after his installation in 1919 was the securing of a favorable site for a new seminary building. Property was accordingly purchased in June of the same year; the corner-stone was laid on November 20, and on January 12, 1921, the building was solemnly blessed by Bishop Kelly in the presence of the clergy of the Grand Rapids and neighboring dioceses.

## SITE

Located in one of the higher and most healthful sections of Grand Rapids, the site of St. Joseph's Seminary is ideal. It consists of 16½ acres enclosed by Burton and Winchell Streets, Martin Avenue and Union Boulevard. The grounds are hedged by a variety of beautiful trees, among them great oaks, surviving witnesses of the pioneer days of Western Michigan.

## ADMINISTRATION AND HIGH SCHOOL BUILDING

The administration building is E-shaped with a frontage of 152 feet, and faces the north. It is of red pressed-brick and Sandusky stone, fire-proof construction. The floors are, for the most part, terrazzo. In the ten-foot basement, which extends well above the ground, are located the kitchen and refectory and store. In the west wing, where the excavation extends deeper, is located the recreation room. This serves also for an auditorium, and has in the north end a fully equipped stage. All conveniences for presenting literary programs, dramas, and educational films, are provided.

On the first floor directly opposite the main entrance and occupying the central portion of the E, is the chapel. Its Romanesque architecture with furnishings harmonizing is well calculated to inspire devotion. The rich windows of Munich stained glass portray those scenes from our Lord's life that more especially relate to the training of the priest.

The study hall and reference room occupy all of the west wing of the first floor, the infirmary most of the east wing. The Seminary offices, parlors, and the Rector's room are also located on the first floor.

On the second floor are the library, the professors' living quarters, recitation rooms, and laboratory. The third and

fourth floors are occupied principally by dormitories, bathrooms, and locker rooms.

## COLLEGE BUILDING

St. Henry's Hall, at the east end of the seminary drive, is the new residence and classroom building for the college students. It is an F-shaped structure consisting of 66 student rooms, 6 faculty suites, classrooms, library and recreation room. It was dedicated on October 13, 1957, by Bishop Allen J. Babcock.

## ACTIVITIES BUILDING

South of the service entrance, along Union Boulevard, stands the new Activities Building, dedicated by Bishop Allen J. Babcock, November 11, 1956. It contains three regulation basketball courts which, in season, can be converted into five volleyball courts. At the north end of the gymnasium are doors leading to four indoor handball courts. East of the gymnasium is an adjoining wing containing locker and shower rooms, a room for drying clothes, and director's office. The exterior of the building provides wallspace for ten handball courts.

## CAMPUS

Standing back on an elevation 300 feet from Burton Street, the Administration Building is approached by a broad concrete drive that describes a semicircle. The enclosed portion and the grounds on either side comprise a grassy plot well-watered and set with trees and shrubs.

The recreation area includes outdoor handball courts, baseball diamonds, football fields, tennis courts, and facilities for track events. Geological conditions provide the best possible drainage, a feature that insures a maximum of usage for the campus in early spring and late fall. A skating rink is prepared each winter.

To the east of the Administration Building stands the new Sisters' Convent constructed in 1948.

## MEMBERSHIPS

St. Joseph's Seminary in both the High School and Junior College Departments is affiliated with the Catholic University

of America, Washington, D.C. It is also a member of the National Catholic Educational Association, the Association of Catholic Colleges of Michigan, the Catholic Library Association, the National Catholic Music Educators Association, and the American Catholic Historical Association.

## LIBRARIES

Each department, high school and college, has a library adapted to a liberal arts curriculum. The two libraries contain a total of 13,000 volumes which are properly catalogued. A trained librarian is in charge. The students have daily access to the reading rooms and stacks.

## LABORATORIES

Ample space and equipment are provided for the science courses. The laboratory in the administration building provides facilities for experiments in chemistry, biology and earth science.

## CHOIR

The members of the Seminary Choir are selected from the Music classes. The choir prepares the Proprium de Tempore for Mass and Vespers of Sundays and Feast Days, and prepares a varied program of Masses and motets in modern polyphonic form.

## STUDENT PUBLICATION

The students publish their own paper THE RECORDER six times a year. Each issue has two parts, one the journalistic product of the high school, the other of the junior college.

## EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activities are the responsibility of the student council which carries the name of the *Students' Catholic Action Service*.

The Students' Catholic Action Service (SCAS) coordinates, under proper supervision and direction, the work of the various spiritual organizations and student committees for extra-

curricular activities. All students are members; they elect their own officers.

For the purpose of promoting these activities, meetings are held every Sunday morning. These meetings are a medium for cultivating literary talent and extemporaneous speaking. They also afford pleasing and profitable diversion from the routine of the classroom. Members have the opportunity of cultivating the art of public speech, and becoming acquainted with parliamentary procedure.

The principal organizations and committees which carry on their activities through the Students' Catholic Action Service are the following:

*The Religious Committee* has charge of various religious activities.

*The Catholic Mission Club* sponsors an active interest in the Missions.

*The Arts Committee* works for appreciation and promotion of the various arts.

*St. Joseph's Committee* aids in the maintenance of the seminary.

*The Publicity Committee* stimulates interest in SCAS and other seminary activities.

*The Athletic Committee* organizes the program of sports.

*The Committee on Drama* has charge of the stage and student performances on special occasions.

## ATHLETICS

Baseball, tennis, handball, football, softball and skating provide healthful outdoor recreation for the students. The Activities Building offers facilities for indoor leisure time games such as basketball, handball, and volleyball. The recreation rooms in the administration building and the college building may be used for table tennis, television and radio programs.

## DOMESTIC DEPARTMENT

The kitchen is under the capable direction of the Sisters of St. Dominic, Marywood, Grand Rapids. The students are served an abundant supply of wholesome food.

## MEDICAL CARE

The infirmary is in charge of one of the Sisters, a trained nurse. In case of illness students are attended by the regular Seminary physician. If any other physician is preferred by parents, notice of this choice should be made known to the Rector in writing at the beginning of the school year.

Special medical attention, medicines, hospitalization, and special diets are to be paid for by the student.

Eyes and teeth particularly must be attended to before school opens.

Sometime during the course each student will be given the Mantoux Tuberculin Test and Chest X-ray.

Students handicapped by speech defects may be required to take special work in speech at their own expense.

## ADMISSION OF STUDENTS

Only students who have the intention of preparing themselves for the priesthood and who give good hope of acquiring suitability for a priestly vocation are admitted and allowed to remain.

A student seeking admission will be furnished with a form for his personal application. A special recommendation blank will be filled out by the applicant's Pastor. An information form will be filled out by his Teacher or Principal. Students who have attended another Seminary or institution must also present a testimonial letter from that institution.

All applicants must be of sound health and free from canonical impediments, and must have satisfactorily completed at least the eighth grade.

The complete list of requirements is the following:

1. Passing grade in entrance examination.
2. Application form properly filled out.
3. Small photo or snapshot.
4. Doctor's report on physical form supplied by the Seminary.
5. Baptismal certificate.
6. Confirmation certificate.
7. Parents' marriage certificate.

8. 8th grade report card or transcript from school office, if applicant has credits for subjects taken in high school.

Item 8: 8th grade report card or transcript must be submitted as soon as school year is completed.

St. Joseph's Seminary is the minor Seminary for students of the Diocese of Grand Rapids. However, as long as facilities are ample to take care of a larger number of students than the needs of the diocese require, students from other dioceses will be admitted, and accorded all the advantages of the institution.

## ROOM AND BOARD, TUITION, FEES

Room and board and tuition for students of the Diocese of Grand Rapids is \$350 for the school year, payable \$175 per semester.

Room and board and tuition for students of dioceses other than Grand Rapids is \$600 for the school year, payable \$300 per semester.

Student accident insurance for nine months, September to June, is \$10, payable \$5 at the beginning of each semester.

Fees for the school year are \$24, payable \$12 at the beginning of each semester. This amount (\$12 for each semester) includes fees for Administration, Athletics, Library, Student Organization, Student Paper.

For students of the Diocese of Grand Rapids accident insurance and fees are included in the board and tuition charge of \$350 per school year.

For students from dioceses other than Grand Rapids the charge for board and tuition and fees is \$634 per school year.

## OTHER EXPENSES

Books, stationery, and other articles needed by the students may be procured at current prices at the Seminary store. Secondhand books are often available. Some books may be rented for a nominal fee. No charge accounts are carried. The student would need about \$20.00 to purchase these items.

Payments should be made in advance.

Quarterly and monthly payments may be made by special arrangement with the Rector.

The clothes of the students must be plain and sober, dark in color and conservative in style. All the articles which can be laundered must be marked with the owner's name, preferably on stamped tapes. All clothing must be marked before the enrollment date.

**Laundry** — Students use laundry mailing kits to send laundry home.

**For Mailing** — Laundry kits are weighed at Seminary store on Saturday and Sunday nights after supper. Arrangements are made by the store for transportation to the Post Office on Monday Morning. The most practical arrangement is to mail laundry home every two weeks. Students are required to use the zip code in their address when mailing their laundry home.

**For Pick-up** — Parents can pick up soiled laundry and leave clean laundry in cortile at the rear of the main (administration) building on each Saturday morning between 9:15 and 12:30.

As permission to make purchases during the school year is not easily obtained, students should come provided with suf-

ficient clothing. This would mean items sufficient to serve the student for a two-week period.

## VACATIONS

Students may spend the summer vacation and the Thanksgiving, Christmas and Easter Holidays at home.

The vacation periods have particular dangers for youth. Faithful attention to religious duties is so necessary that no seminarian may hope to work out his vocation if he neglects them. Parents should observe closely the associations of their sons during vacation. They should be mindful that from the time that their boys enter the Seminary, there are associations as well as forms of amusement, legitimate for young people in the world, that are unbecoming or even entirely forbidden to aspirants to the priesthood. The paganism of the theater, television, and modern literature is a positive danger. Every student should assist at Holy Mass daily, and should receive the Sacrament of Penance and the Eucharist as frequently as is the order of life in the Seminary.

In large measure, a seminarian is the responsibility of his Pastor with whom he is advised to keep in touch throughout the vacation. In accordance with statute No. 28 of the Second Synod of Grand Rapids, the Pastor is under obligation to submit to the Rector a signed and sealed report about the seminarian's conduct during vacation time.

## SPIRITUAL TRAINING

Ordinary Christian virtue does not suffice for the priest. By the dignity of his sacred calling he is bound to strive for greater virtue and personal holiness. The love of piety and an earnest effort to advance in holiness are signs of a priestly vocation in a boy. The seminary training seeks to lay the solid foundations of priestly holiness in the hearts of the young aspirants to the priesthood by a daily program of religious exercises and devotions. Daily attendance at Holy Mass, the reception of the Sacraments, meditation, rosary, visits to the Blessed Sacrament, prayers in common are ordinary procedure in the life of a seminarian.

Ample provision is made for student guidance. The Spiritual Director is available for private consultation and the students are encouraged to seek advice and assistance at any time. The Spiritual Director is in charge of the religious program by which the student's vocation is fostered. Regular spiritual conferences are given by him and by the Rector on the principles of the spiritual life.

## DISCIPLINE

Discipline is the secret of all worthy achievement in life, and in the training of those who hope to preach Christ crucified, discipline and self-sacrifice must be the cornerstone. Molding priestly character and developing a spirit of obedience, self-denial and generosity in God's service is the aim of the Seminary Rule. Obedience to the Rule is the seminarian's means of personal sanctification; for the Seminary Rule, approved and imposed by the authority of the Church, is the outline of the seminarian's duties of his state in life. A boy progresses in virtue and holiness and sound, moral character by his sincere and determined efforts to live up to his duties in life. Hence the faithful and conscientious observance of the Seminary Rule is a trustworthy criterion of the suitability of a student for the priesthood.

Each student receives a copy of the Seminary Rule and the points of the Rule are explained at the opening of the school year. All of the regulations are in accordance with the decrees and directives of the Holy See and of the Plenary Councils of Baltimore. It might be helpful for the student and his parents to be aware of the following regulations before entering:

Students may not leave the seminary grounds without permission. Visits of parents and relatives are allowed during

the time and hours appointed for that purpose. Visiting hours are from 10:30 A.M. to 5 P.M. on designated Visiting Sundays. The Visiting Sundays are announced during the school year.

Mail to and from the seminarians is subject to inspection by the Seminary authorities.

Telephone calls may not be answered by the students personally, but necessary and urgent messages will be received for the students. However only the most necessary and urgent calls will be heeded.

Eatables are not to be sent to the students. But on the student's birthday parents may send a cake or other pastry which will be put on the student's table and shared with his table companions.

Books, periodicals, magazines, etc. may not be brought into the seminary or read without the Rector's approval.

Students are held liable for damages done to seminary property.

It is understood that parents agree to abide by all of the regulations of the Seminary when they enroll their sons.

The Canon Law of the Church directs: "Disorderly, incorrigible, or seditious students, and those who because of their character or temperament do not seem suitable candidates for the clerical state, shall be dismissed from the seminary. Students who progress so slowly in their studies that there is not much hope that they will acquire sufficient learning, shall also be dismissed. If a seminarian should be guilty of an offense against good morals or the faith, he shall be summarily discharged." (Canon 1371)

## SCHOLASTIC PROGRAM

The Seminary accepts only those who have given evidence of sufficient intellectual capacity to follow the course of studies established according to the mind of the Church for the training of her future priests. Sufficient talents in studies and the ability to apply oneself to the daily classes and assignments are one indication of a genuine vocation to the priestly life.

### ADMITTANCE AND ATTENDANCE

Students are admitted only at the beginning of the first semester. No new classes are organized for the second semester.

Leave of absence from the seminary and dispensations from classes and laboratory periods are not granted except in emergencies. The faculty reserves to itself the right to refuse

promotion to students whose absences even for legitimate reasons are too frequent.

## TESTING PROGRAM

The Seminary is affiliated with the Catholic University of America on both the secondary and the junior college levels. All high school students are required to take the yearly tests offered by the affiliation program. Over the four year period the following areas are tested: Religion, English, Latin, Modern Language (Spanish or French), World History, American History, Algebra, Geometry, Biology, and Chemistry.

Other standard objective tests administered are the following: First Year High School: Henmon-Nelson Test of Mental Ability. First Year College: School and College Ability Tests (Verbal and Quantitative Ability). Second Year College: Sequential Tests of Educational Progress (Writing, Listening, Science, Social Studies, Reading).

## EXAMINATIONS, REPORTS, TRANSCRIPTS

Regular examinations in all subjects are held twice in each semester. Oral and written tests are given at the discretion of the instructors.

A report of the student's progress is sent to his parents and pastor at regular intervals during each semester. A semester report is also issued; an accompanying certification that the report has been examined is to be returned to the Rector with the signature of the parents and of the Pastor.

A transcript of credits will be issued for every student who transfers to another educational institution. The first transcript will be made without charge. Each additional one, however, will carry a secretarial charge of \$1.00, which must be paid in advance. All accounts must be paid before a transcript will be issued.

## HIGH SCHOOL

### SCHOLASTIC REQUIREMENTS FOR ADMISSION

It is advised that boys aspiring to the priesthood enter the Seminary High School at the completion of their eighth grade. The applicants should present a report card which will show at least a C or 78 average in elementary English, arithmetic, and social studies.

While the Seminary is desirous of recognizing credits obtained above the grammar grades, it finds it necessary, in

keeping with the requirements of major seminaries, to maintain high standards. Accordingly applicants for higher grades in high school are required to pass a satisfactory examination especially in Latin. Experience has shown that most of those who make their high school course before enrolling in the Seminary must attend special classes for one or more years, before they are adequately adjusted to a prescribed course of studies.

## GRADING SYSTEM

The students are graded as follows:

A — 94-100	Excellent
B — 86-93	Good
C — 78-85	Satisfactory
D — 70-77	Passing
F — Less than 70	Failure
I —	Incomplete
X —	Absent from Examination
WP —	Withdrew Passing
WF —	Withdrew Failing

Promotions are made at the beginning of the first semester only.

Likewise a scale of marking is employed in the appraisal of a student's conduct and application to study. The following notations are made on the report card to represent the faculty's evaluation of the student's conduct and effort.

- I Good
- II Fair (Advised to improve)
- III Unsatisfactory (Must improve)
- IV Poor

## GRADUATION

For high school graduation and admission to junior college a minimum of sixteen units of credit is required. A unit is a year's work in one subject and includes a total of 120 clock hours of prepared classroom work. Classes are recitation periods of fifty minutes each held four times a week. The school year consists of two semesters of eighteen weeks each.

The sixteen units of credit required for graduation must include four sequences of subjects, that is, two major sequences and two minor sequences. A major sequence consists

of a minimum of three units, a minor sequence of a minimum of two units. Sequences are grouped as follows: Major sequences in each, English and Latin; minor sequences in each of the following: 1) in Religion, 2) in Greek, 3) in one of the Modern Languages (French, Spanish, German, Polish, Italian), 4) in Mathematics (Algebra, Geometry), 5) in Science (Biology, Chemistry), 6) in Social Sciences (United States History, Government, World History.) Speech is also a credit course.

## WARNING AND PROBATION

Low grades, lack of interest, or neglect of work during any semester renders a student liable to probation. A student who does not maintain a general average of at least 78 or C during the first semester or who fails one or more subjects, will be warned. He will be considered on probation for the succeeding semester. During the period of probation, the student is on trial to prove his fitness to carry the seminary course of studies. He is required to remove the probation in order to qualify for promotion or graduation at the end of the second semester by maintaining a second semester average which will enable him to pass the year.

The yearly grade in a subject is the average of the grades earned in the first and second semesters. A student who fails to attain a passing average for the year in one subject will be obliged to do summer work and pass an examination in that subject at the beginning of the next school year. Failure in this make-up work means that the student will have to repeat the previous year's work, if he wishes to continue his seminary course. If a student fails in Latin for three successive semesters, he is automatically dismissed.

A student who does not maintain a general average of at least 78 or C in his yearly grades, or who fails two or more subjects for the year, will not qualify for promotion. Whether the student will be permitted to repeat the previous year's work will be left to the discretion of the faculty.
